

Currently trash services will continue as normal.

Please refrain from generating additional heavy trash, such as cleaning garages, closets, extra yard work, etc. Due to extra volumes, trash is extremely heavy and our routes are running later than normal. Please be patient as we are doing our best to get all trash collected.

COVID-19 UPDATE-PLEASE BAG ALL TRASH

In response to the continuing effects of the Coronavirus and in observance of our employee's safety, we are asking that **all waste be placed in plastic bags and tied off** to avoid any need for direct contact with the garbage.
