

Montgomery County MUD 145 Stage 2 Drought Conditions

We request that all residents implement limited irrigation use to no more than 2 days per week between 8:00 p.m and 12:00 a.m midnight.

Please follow the following schedules Sundays and Thursdays for single family residential customers with a street address ending in an even number. Saturdays and Wednesdays for single family residential customers with a street address ending in an odd number. **Tuesdays and Fridays for all other customers. No watering on Monday's.**

If you have any questions about this message, please contact our office at 281-355-1312.
