

## **EMC MUD 5**

### **Stage 2 Drought Conditions**

We request that all residents implement limited outdoor irrigation use to no more than 2 days per week between 7:00 P.M and 5:00 A.M in conformity with the following schedule effective September 14, 2023.

- Sundays and Thursdays for single-family residential customers with even numbered street addresses.
- Saturdays and Wednesdays for single-family residential customers with odd numbered street addresses.
- Tuesday and Fridays for all other customers.
- No watering on Mondays.

Compliance with the above requirements is mandatory. If you have any questions about this message, please contact our office at (281) 353-9809.
